

STUDENT PROCEDURES

FOR SAFER STUDIO PLAN

1

LEAVE LARGE BAGS AT HOME

Bring a smaller bag and only the items that you need to class. You will bring your items into class with you and place against the mirrors. Come dressed for class as our dressing room will be closed. Bathrooms will be open.

2

BRING YOUR OWN WATER BOTTLE

Our water fountain will be closed, so it's important to bring your own water bottle to class!

3

SANITIZE IN AND OUT OF CLASS

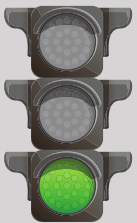

We will have hand sanitizer available for your hands before and after class

4

PARENT DROP-OFF

Our lobby will remain closed this summer. Parents are encouraged to wait in their vehicles. Students under age 7 may be walked to their classroom and parents can help change their shoes before class.

5

PARENT PICK-UP

Students will be walked out the fire doors to exit the building and will be supervised by a TP team member for pick up. Children may not run across the parking lot to their cars, parents must park and come to the sidewalk to pick them up.
